

# *JOURNEY THROUGH CANCER: Diagnosis, treatment and living*

Fourth Annual  
Cancer Pain  
Research  
Consortium  
Conference

April 12-15, 2018  
Windsor Hotel  
New Orleans, LA

Our goal is to present the most recent and relevant data and treatment options to practitioners at all levels and provide a forum to interact and discuss evidence-based medicine and best practices, all of which improve access to and quality of care for patients.

This live format conference will include individual lectures, panel discussions, breakout sessions, and case studies focusing on patients from first diagnosis through treatment and beyond.
