# MEETING BENEFITS

## WHY ATTEND?

### NOTABLE PAIN MEDICINE-SPECIFIC CME

Presentations will focus on the most current research and findings in pain medicine. Earn up to 16.5 AMA credits and 4.0 hours of ethics in one weekend from distinguished state and national speakers.

### HOT NEW IDEAS FROM EXHIBITORS

Join the fun and excitement in the Exhibit Hall where physicians have the opportunity to learn about new pharmaceuticals, devices, labs, products and services in pain medicine. Take time to meet the leaders in the industry, review new opportunities and network with others in the field. Remember to take a moment to say thank you to all exhibitors for helping to make this meeting possible!

## LEARN MORE ABOUT TPS AND BECOME INVOLVED!

Meet new colleagues or reunite with old friends from across the state and network about patients, billing and practice questions, legislative issues and more. Learn more about TPS and what your society does for your practice and pain medicine in Texas. Volunteer to join a committee and become involved.

## WHO SHOULD ATTEND

If you are involved in the practice of pain medicine in Texas, you should plan to attend this one of a kind meeting and become a member of TPS today!

## REGISTER BEFORE 9/14/18 TO GET EARLY BIRD PRICING!

# GOALS AND OBJECTIVES

After completing this activity, participants should be able to:

- Describe evidence-based updates and innovations in spinal stenosis, sports medicine, facial pain, fibromyalgia, and neuromodulation treatments.
- Analyze the pros and cons of various types of alternative treatments or non-medical coping mechanisms.

- Discuss current trends, challenges and successes in Texas pain management.
- Analyze and apply recent updates from the Texas Medical Board, the Texas Pharmacy Board, the Texas Legislature, and the DEA.
- Determine best practices in cyber security and contract negotiations for your practice.
