MEETING BENEFITS

WHY ATTEND?

NOTABLE PAIN MEDICINE-SPECIFIC CME

Presentations will focus on the most current research and findings in pain medicine. Earn up to 17.5 *AMA PRA Category 1™* credits and 5.25 hours of ethics in one weekend from distinguished state and national speakers.

HOT NEW IDEAS FROM EXHIBITORS

Join the fun and excitement in the Exhibit Hall where physicians have the opportunity to learn about new pharmaceuticals, devices, labs, products and services in pain medicine. Take time to meet the leaders in the industry, review new opportunities and network with others in the field. Remember to take a moment to say thank you to all exhibitors for helping to make this meeting possible!

LEARN MORE ABOUT TPS AND BECOME INVOLVED!

Meet new colleagues or reunite with old friends from across the state and network about patients, billing and practice questions, legislative issues and more. Learn more about TPS and what your society does for your practice and pain medicine in Texas. Volunteer to join a committee and become involved.

WHO SHOULD ATTEND

If you are involved in the practice of pain medicine in Texas, you should plan to attend this one of a kind meeting and become a member of TPS today!

REGISTER BEFORE 9/20/19 TO GET EARLY BIRD PRICING!

GOALS AND OBJECTIVES

After completing this activity, participants should be able to:

- Outline scientific updates for the treatment of pain, including a clarification of the CDC guidelines, neuromodulation, ketamine infusions, regenerative medicine, opioid alternatives, and intrathecal pumps and microdosing.

- Detail the benefits of Cognitive Behavioral Therapy and Acceptance and Commitment Therapy.
- Explain the science and consequences of CBD oil and medical cannabis.
- Discuss updates from the 2019 legislative session, the Texas Medical Board, the DEA, and the Texas Pharmacy Board.
